

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound."—Mrs. P. W. LANSING, Route No. 1, Florence, South Dakota.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

SUFFRAGETS

Now Have New Organization in England with Many Artists as Members.

LONDON, June 7.—Such aristocratic names as the Countess of Aberdeen, Lady Brassey, Lord Courtney, Lord Lytton, Lady Strachy and Lady Frances Balfour appear as officers in a new women's suffrage organization, which is pledged to support Labor party candidates to Parliament. Its title is the National Union of Women Suffrage Societies, and its policy non-partisan and non-militant. But in as much as the Labor party is the only one pledged to the cause, Labor candidates will be supported even against "tried friends," of other affiliation.

The fight, according to the organizers, will be concentrated on the present Liberal cabinet with a view to forcing its early retirement. And the Liberals, who are accused by the militants of "torturing women in jail," will have to face the opposition of the suffragets as well as of the propped classes. Mrs. Henry Fawcett is president of the Union.

Eleanor Brent will next season play the title role of "Everywoman."

LOCUSTS

Are about to Disappear with But Very Slight Damage Done in County.

Exit the seventeen-year locust, after a visitation over the upper part of the county and many other West Virginia counties, as well as through eastern Ohio, the pests which only a few weeks ago were swarming over fruit and shade trees by the millions, threatening serious damage and often destruction, are disappearing as rapidly and mysteriously as they came. In the course of another week hardly a trace of them will be left in this section.

Fruit growers and others throughout this county declare that the damage done has proved fortunately light. Only in a few instances has any material or serious destruction been wrought by the hordes, with no great loss inflicted on the fruit crop, which still gives promise of being a large one.
